Communal Pool

This lovely property is situated right near the shopping centre in Torrevieja. The Property is maintained to a very high standard and has a new modern kitchen. The property does come part furnished too. There is a lot of outside space including a solarium. The nearest airport is Alicante only 30 mins Drive. The beach only 5 mins by car. The area is very popular for tourists so would be ideal for investment. Equally would make a great family home.
